Jill Rhodes

Architect | Project Management | Sports, Entertainment & K-12 Education

jill.rhodes8@example.com · (726) 555-0193 · New Braunfels, TX

SUMMARY

Architecture professional with more than a decade of experience delivering sports and entertainment and K-12 education projects from schematic design through construction administration. Progressed from Architectural Designer to Associate / Project Manager, leading multidisciplinary teams, coordinating consultants, and managing project schedules and client expectations. Brings a strong foundation in digital modeling and coordination tools, with a track record of delivering complex, high-profile facilities in the sports and entertainment and K-12 education sectors.

EXPERIENCE

Associate / Project Manager | Page | New Braunfels, TX | Apr 2022 – Present

- Manage project delivery for the San Antonio Arena Club Level, a sports and entertainment project, coordinating design milestones, consultant input, and owner review sessions.
- Lead project teams in translating client program requirements into coordinated design documents, guiding decisions on spatial planning, materials, and building systems.
- Oversee project budgets, schedules, and staffing to keep deliverables on track while maintaining design quality and constructability.
- Serve as primary point of contact for owners, contractors, and internal stakeholders, facilitating progress meetings and resolving issues before they affect construction.

Senior Project Architect | Page | New Braunfels, TX | Oct 2019 – Apr 2022

- Directed design development and construction documentation for sports and entertainment and education facilities, ensuring coordination across architectural and engineering disciplines.
- Mentored project architects and designers on Revit workflows, detailing standards, and quality control practices.
- Coordinated code reviews, permitting submittals, and agency correspondence to support timely project approvals.

Senior Project Architect | Overland Partners | New Braunfels, TX | Oct 2016 – Oct 2019

- Led design and documentation for the New Braunfels Stadium Renovation ($443M), coordinating phased construction, stakeholder reviews, and contractor requests for information.
- Managed production teams and consultant coordination through Navisworks clash detection and model-based review sessions.
- Prepared presentation graphics and design documentation using Adobe Creative Suite and SketchUp to support owner decision-making.

Senior Project Architect | HKS | New Braunfels, TX | Nov 2013 – Oct 2016

- Led design development and construction documents for the New Braunfels Arena Club Level, a sports and entertainment project, coordinating with structural, MEP, and civil consultants.
- Delivered design and documentation for the San Antonio ISD Middle School, a K-12 education project, from concept through bid-ready construction documents.
- Supervised project staff and reviewed drawings to maintain design intent and coordination across disciplines.

Project Architect | Huckabee | Denton, TX | Apr 2012 – Nov 2013

- Coordinated design and documentation for the New Braunfels ISD High School Addition ($428M), supporting schematic design through construction administration.
- Contributed to the San Antonio Stadium Renovation and the San Antonio Performing Arts Center, preparing drawings, specifications, and coordination documents.
- Served as a liaison between design teams, consultants, and contractors to resolve RFIs and field questions.

Architectural Designer | Huckabee | Denton, TX | Apr 2010 – Apr 2012

- Produced architectural drawings, details, and renderings under the direction of senior staff for commercial and institutional projects.

- Supported design development and code research to help teams meet project requirements.

SKILLS

Revit · Navisworks · SketchUp · Adobe Creative Suite · Project Management · Construction Administration · Client Coordination · Team Leadership

EDUCATION

Bachelor of Architecture, Rice University, 2010
