Megan Parsons

Interior Designer | Higher Education & Multifamily

megan.parsons97@example.com · (737) 555-0155 · Round Rock, TX · Open to relocation

PROFILE

Interior designer with hands-on experience across higher education and multifamily projects, from student housing to large-scale garden-style apartments. Known for delivering design work on multimillion-dollar developments with a focus on clear, efficient execution. Proficient in Revit, V-Ray, SketchUp and Enscape.

WHERE I'VE WORKED

Interior Designer, Corgan · Round Rock, TX 2025 – Present

- Lead interior design for Georgetown Student Housing ($38M), coordinating finishes and furniture packages for student living spaces.
- Deliver interior design for Georgetown Garden-Style Apartments ($248M), driving consistent unit and amenity schemes.
- Develop interior layouts and finish selections for Austin Mixed-Use Apartments, balancing residential appeal with durability.
- Produce Revit models, V-Ray renderings and Enscape walkthroughs to move designs through approval quickly.

Junior Interior Designer, Corgan · Round Rock, TX 2023 – 2025

- Support senior designers on multifamily and higher education interiors, keeping drawings and schedules on track.
- Build SketchUp models and Adobe Creative Suite presentation boards for client reviews.

TOOLBOX

Revit · V-Ray · SketchUp · Adobe Creative Suite · Microsoft Excel · Enscape · Space Planning · Material Selection · Client Presentations
